

I Can Do Anything in Christ

Philippians 4:13

Verse 1

Jesus, you're the strength within my weakness
Jesus, you're the calm within the storm
Troubles all around
They can't knock me down
Because your strength is flowing in me

Verse 2

You will give me peace beyond all knowing
You will give me strength for every trial
You will set me free
Open up the sea
Lead me on dry land every mile

Chorus 1

I, I can do anything in Christ
I can move any mountain
I can walk over the water
I, I can do anything in Christ
I can stand in the fire
I can do all things in Christ

Verse 3

David had no fear to face the giant
Daniel praised you in the lion's den
The walls of Jericho
Hear those trumpets blow!
All my troubles come tumbling down!

Chorus 2

I, I can do anything in Christ
I can move any mountain
I can walk over the water
I, I can do anything in Christ
I can stand in the fire
I can do all things
That's why my heart sings
Nothing can beat me
No trouble defeat me
I can do all things in Christ
