Verse 2

Life is hard.

So many hurts, so many ways to break your heart

And what you need is just a friend to stay with you,

A friend to pray with you,

A friend to point the way to better days.

I praise the Lord my God for ev'ry precious gift He sends.

And I'm praising Him today for all my friends.

Verse 3

This is my prayer:

That God will always bless this friendship we share,

And that I'll be a friend to help you stand up tall,

Forgive you when you fall,

To share the love of Jesus through it all.

So many things I own that will some day fade away.

More precious are my friends with me today.
