

On the Wings of an Eagle

Isaiah 40:28-31

Chorus

Lift, Lift me up on the wings of an eagle
Soar, Spirit, Soar! Lift me high, high above!
I call to you. My strength renew
Come fill me with your power
Lift me up into the sky to fly

Verse 1

You are God, my Lord
Everlasting you are
The mighty creator of all things near and far
My strength is only you, your cross and empty grave
Yours alone the healing hand
Yours alone the power to save

Verse 2

When I'm weak, O Lord
When I stumble and fall
When my soul has grown weary and my back's to the wall
I just call on Your name, my Holy God on High
Give me strength so I can run!
Give me wings so I can fly!
