

Te Deum

Verse 1

You are God; we praise You.
You are the Lord; we acclaim You.
Everlasting Father, all creation worships you:
All the holy angels, All the powers of heaven
Cherubim and Seraphim sing in endless praise:

Chorus

Holy, Holy, Holy God of power and might
Heaven and earth are filled with Your glory
You are holy, holy
You are holy, holy Lord.

Verse 2

You are God; we praise You.
You are the Lord; we acclaim You.
Everlasting Father, all creation worships you:
The company of apostles,
The fellowship of prophets,
The army of martyrs:
In all the world, the church proclaims You.

Verse 3

Father, in majesty
Your only Son, worthy of all praise.
And the Holy Spirit, counselor and guide.
You, O Christ, are the King of Glory,
The everlasting Son of the Father on High.

Bridge

When you became a man to set us free
You humbled yourself, the virgin's son.
You triumphed over death and opened paradise
To all who believe in your name.

Verse 4

You, O Christ, at God's right hand.
You, O Christ, in glory now.
We believe that you will come and be our judge
So help your people, bought with your own blood
Bring us with you saints, in glory evermore!
